Year 8 Young Enterprise event

Year 8 Parental Information Session 7.30pm

European Day of Languages

Macmillan Coffee Morning

## Communication

We will be introducing a new app system for parents this year. It is important that all details are up to date. If you have changed or are changing e-mail address, mobile phone number or address, please contact the school with details.

## Road works

We have been notified that the Kings Road from Sandown Road to Knock Road will be closed for works for at least one month from Monday 9<sup>th</sup> September. Please be aware that there may well be greater congestion in the area and so you may consider dropping your daughter off in a location where she can walk or take the Glider to school. Year 14 pupils who drive to school should also take public transport, as the streets around Knockhill Park will be used by residents who have been advised to park there.

If your daughter uses the Ards or Comber bus service in the afternoon, it will now depart from the country-bound Astoria Gardens Glider halt on the other side of the Newtownards Road at the usual time. Please note that the bus to Bangor via Strathearn and Holywood in the afternoons will not be affected.

## Parental Information Evenings

Short meetings have been arranged for parents as listed above to pass on key information relating to each year group. Please note that there will not be the opportunity to talk about individual pupils. Tea and coffee will be served on arrival, and the meetings will be held in either Assembly Hall or Study Hall.

### Year 8 Saturday Sports

Year 8 netball and hockey will begin tomorrow, Saturday 7<sup>th</sup>, at school. Netball will take place in the sports hall from 8am until 9am. Hockey will be on the tennis courts from 9am until 10am. All Year 8 girls interested in joining both or either of these clubs are welcome to come along. Attendees should wear BCS kit only and bring shin pads and mouth guards for hockey.

### Recruitment

An advertisement for the recruitment of a PE teacher (jobshare) is currently on the EANI website. Another for an IT technician will be on the website next week. Please feel free to share this with anyone who may be interested.

### School Nurse

Our nurse will not be in school next week. Teachers have been instructed try to keep pupils in class unless medical assistance is absolutely necessary, in which case a member of staff who is First-Aid trained will be called upon to assist. Please note that under EA guidelines only a trained nurse may administer paracetamol, and so this will not be offered to pupils until the nurse returns.

### Senior Games

To bring us in line with other local Grammar schools who play sporting fixtures, all girls in Years 12-14 will now share Games periods on Wednesday afternoons. Year 12 pupils will have the option of choosing a sporting activity or staying in school to study. Pupils in Years 13 & 14 can choose from a sporting activity, private study/work in departments, community service or can sign out of school at 2.10pm for home study.
