Principle

Bloomfield Collegiate School is committed to ensuring that all GCSE, AS, A Level and BTEC Centre Determined Grades, based on teacher professional judgements in 2021, will be fair, robust, valid and reliable, enabling progression for all students. The School is also committed to providing the pupils with the right of appeal against the grades awarded in Summer 2021, and clear efficient guidelines and mechanisms to appeal their grades.

1. Statement of Intent

The purpose of this policy is:

- to provide an overview of the Post-Results Service for Summer 2021 in the context of the guidance issued by CCEA, *CCEA Post-Results Service, Process for Heads of Centre – Summer 2021 and JCQ, A guide to appeals process Summer 2021 series*;
- to ensure that all staff involved in the process know, understand and can carry out their roles effectively;
- to ensure pupils understand the Post-Results Service, the centre's role and the role of the awarding organisation (AO); and
- to provide relevant timelines to ensure the successful completion of internal processes so as not to hinder the progress of any pupil to the next phase of their education.

It is the responsibility of everyone involved in the Post-Results Service within Bloomfield Collegiate School to understand and implement this policy. The Centre Post-Results Service Policy is in line with *CCEA Post-Results Service, Process for Heads of Centre – Summer 2021*, and any further guidance provided by CCEA in relation to its Post-Results Service in addition to JCQ's guidance including *A guide to appeals process Summer 2021 series*. Staff will familiarise themselves with all relevant documents.

Please note that Bloomfield Collegiate School uses specifications provided by – CCEA, AQA, OCR and WJEC. All of these awarding organisations use the same two Stage process for the post results service.

2. Process Overview

There are two stages to the Post-Results Service; students must commence with Stage 1 which will be completed by Bloomfield Collegiate School and may then progress to Stage 2. The two stages are:

- **Stage 1** - A Centre Review, completed by Bloomfield Collegiate School
- **Stage 2** – An Appeal to the awarding organisation, submitted by Bloomfield Collegiate School on behalf of a pupil and completed by the awarding organisation.

Stage 1 – Centre Review conducted by Bloomfield Collegiate School

For full details refer to *CCEA Post-Results Service, Process for Heads of Centre – Summer 2021*

Any pupil who was awarded a Centre Determined Grade by Bloomfield Collegiate School in summer 2021 is permitted to submit a request for a Centre Review. Bloomfield Collegiate School will complete a Centre Review for any pupil who makes a written request. To help pupils decide whether to request a Centre Review, Bloomfield Collegiate School will direct pupils to the following information:

- the Bloomfield Collegiate School CDG policy;
- the sources of evidence used to determine the CDG, including any marks and/or grades;
- details of any variations in evidence used; and
- details of any special circumstances that were considered in determining their grade.

All requests for a Centre Review must be made directly to Bloomfield Collegiate School using the form provided by CCEA/JCQ. A pupil may request a Centre Review if they consider:

- 1) Bloomfield Collegiate School made an administrative error in relation to their grade; and/or
- 2) Bloomfield Collegiate School did not follow its procedure in arriving at the CDG as outlined in the Bloomfield Collegiate School CDG Policy.

If a pupil wishes to submit an appeal on the ground of academic judgement (unreasonableness), this will only be considered by the awarding organisation at Stage 2. To enable a pupil to move to this stage, a Centre Review must first be completed by Bloomfield Collegiate School to ensure there have been no administrative errors and that procedures have been followed, or these have been addressed.

Pupils may submit a priority Centre Review if they have a place at a Higher Education Institution on hold.

Determining the Outcome of a Centre Review

All Centre Reviews will be completed using the form provided by CCEA/JCQ and will be retained by Bloomfield Collegiate School electronically to be submitted should a pupil decide to request a Stage 2 Appeal to the awarding organisation.

In order to determine the outcome of a Centre Review, the member of staff conducting the review will have access to the following records and will consider:

- a) the reason presented by the pupil for the review where this has been specified;
- b) the centre's approved policy and whether it was followed;
- c) the evidence which was used to determine the grade (although the reviewer will not be assessing or re-marking this evidence);
- d) any relevant assessment records that detail amendments to the range of evidence for the pupil and, where applicable, the steps taken to address any known mitigating circumstances or approved access arrangements;
- e) the records of the quality assurance processes and whether these were followed in determining the grade;
- f) the record of any pre-results discussions between the centre and student (for example, where a student has raised mitigating circumstances earlier in the process);
- g) relevant centre administration records; and
- h) any other documentation the decision-maker feels necessary to process the review.

In cases where an administrative or procedural error is identified, the member of staff completing the review will decide whether a grade change is required; this may require input from the Head of Department or Subject Teacher.

The outcome of any Centre Review completed by Bloomfield Collegiate School may be that the grade goes up, goes down or stays the same.

Reporting the Outcome of a Centre Review

If a grade change is considered to be required, Bloomfield Collegiate School will submit an error correction request to the awarding organisation as soon as possible.

Bloomfield Collegiate School will provide the student with an outcome letter using the template provided by CCEA/JCQ. This will include:

- whether or not the review found a procedural failure or administrative error;
- if it did, what that error or failure was;
- the reason for the finding;
- whether there was a grade change and, if so, what the new grade is;
- a reason for the grade change, or lack of change; and
- information on the next steps if a pupil wishes to submit an appeal to the awarding organisation.

A record of the outcome of all Centre Reviews will be retained to be submitted to the awarding organisation should a pupil decide to request a Stage 2 Appeal to awarding organisation.

Stage 2 – Appeal to the Awarding Organisation

Whether or not an administrative or procedural error was found through the Centre Review, and whether or not the grade changed as a result, all pupils, have the right to submit an appeal to the awarding organisation as the next stage in the process. Where requested by the pupil, Bloomfield Collegiate School will submit such appeals on the pupil's behalf and include the following as required:

- CCEA/JCQ submission form completed by the pupil;
- Evidence used to determine the Centre Determined Grade; and
- Completed Candidate Assessment Record, or similar, for the pupil.

Bloomfield Collegiate School will submit any request for an appeal to the awarding organisation from a pupil upon the conclusion of a Centre Review. Bloomfield Collegiate School will have a process in place to communicate the outcome of the appeal to awarding organisation to the pupil upon completion.

Bloomfield Collegiate School will:

- Have appropriate arrangements in place to conduct a Centre Review in line with CCEA/JCQ guidance;

The Examinations Officer or a delegated member of staff will submit any error correction requests to CCEA/awarding organisation, should it be considered that a grade change is required.

Heads of Department and Subject Teachers may be required to provide expert opinion on whether or not a grade change is required should an administrative error or procedural failure be identified through a Centre Review.
